Grounds Crew

Description

A-Team Snow and Ice Control is seeking on-call Grounds Crew Members (Salt Spreader, Shovel, Snow Blower) to join our team this winter, servicing customers in Detroit. Candidates for this position must be available from the beginning of November through the end of March. This is a team effort, which means you will work with other Crew Members to efficiently and safely complete each job. We emphasize high-quality service, which calls for reliability and punctuality in order for us to be successful.

Responsibilities

- Complete class room and field training.
- Learn and master a specific route of customer sites.
- Perform snow removal to customer specifications and quality standards.
- Perform work safely and without accidents or incidents.
- Utilize effective communication with the crew leader for on job issues that may arise.

Qualifications

- 18+ years of age.
- Must have a valid ID.
- Professional snow removal experience a plus, but not required.
- Experience operating plow and salt trucks, and other heavy equipment a plus, but not required.
- Available for on-call work including nights, days, holiday and weekend work as needed.
- Must have access to reliable transportation to and from work.
- Must be able to work in extreme weather conditions.
- Must be able to lift 50+ lbs.

Job Benefits

- Pay is based on performance, ranging from \$15-\$25 / hour.
- Part-time, seasonal position.
